Individual Investor Services “Total Care Package”™

We are here to safeguard your investments and to ensure efficiency and promptness.

Just give us your choice of the property, deposit your down payment into our escrow account in New York or Panama and get back to your busy life – we will handle everything else. We will draft and/or review your purchase contract with you, negotiate any terms you need to change, incorporate your company, if you so desire, conduct thorough title due diligence and close your purchase by making required payments from your escrow account upon execution of the purchase contract. All you need to do is to remember where you filed your copies of the documents, and of course, if you forget – we will provide copies to you at any time upon request!

Services Included:

Title Research™ Certificate	\$1200 per property
Forming a Corporation	\$1200 per corporation
Escrow Services	\$600
Purchase Contract and Closing	\$2,000

Total cost \$5,000

Thank you.

We are looking forward to working with you.
